INNOVATION SPACES

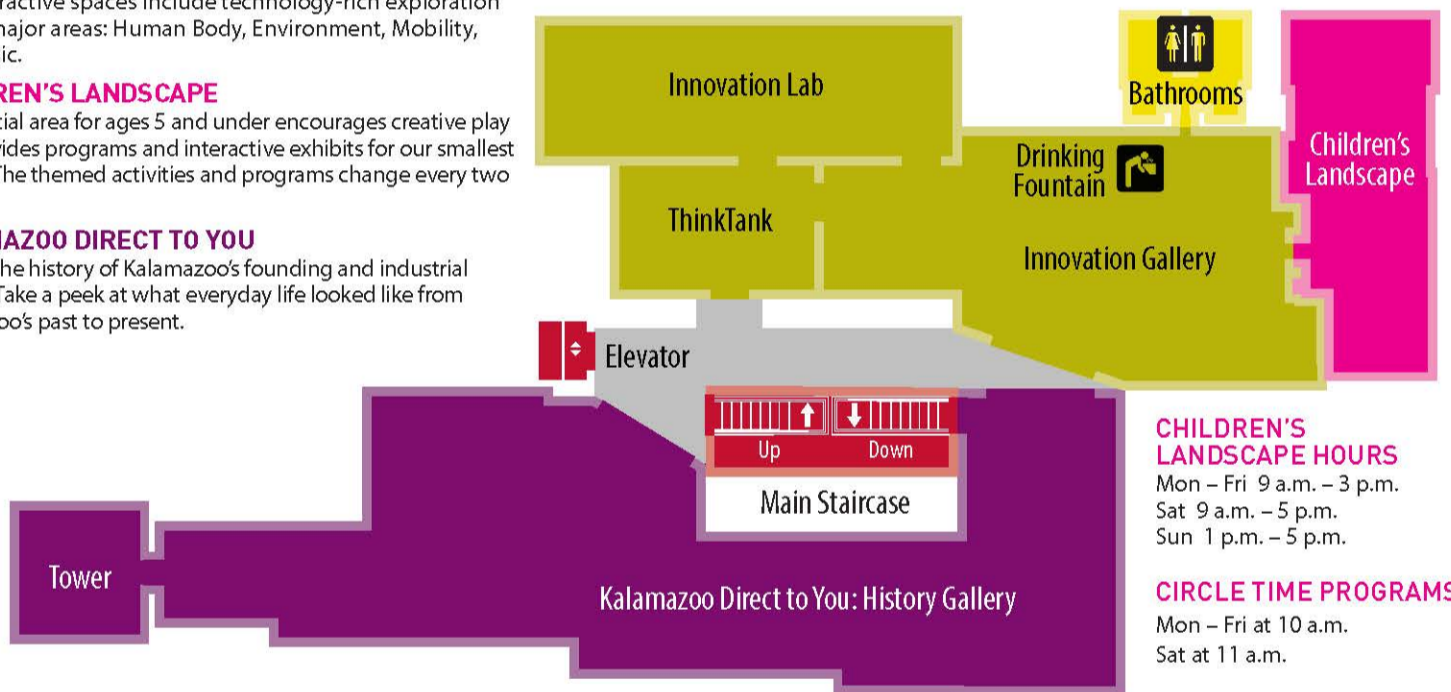

The Innovation Gallery, Innovation Lab, and ThinkTank invite new encounters with science at the Museum. The exhibit and interactive spaces include technology-rich exploration of four major areas: Human Body, Environment, Mobility, and Music.

CHILDREN'S LANDSCAPE

This special area for ages 5 and under encourages creative play and provides programs and interactive exhibits for our smallest visitors. The themed activities and programs change every two months.

KALAMAZOO DIRECT TO YOU

Explore the history of Kalamazoo's founding and industrial growth. Take a peek at what everyday life looked like from Kalamazoo's past to present.
